

Step-by-step guide for dismantling a Wine Society 6-bottle box for recycling

Step one:

Open your Wine Society box.

Step two:

Lift the two central dividers.

Step three:

Turn the box over and remove any tape from the bottom.

Step four:

Fully open the bottom of the box by lifting either side of the central divide.

Step five:

Pull through the central partitions.

Step six:

Flatten the box ready for recycling.
