Vergelegen Estate GVB Red, Stellenbosch 2019

GVB is sourced from the Rondekop vineyards at 200 to 220 meters above sea level, where the high exposure to winds results in thick-skinned berries with great depth and concentration. The 2019 is 71% cabernet sauvignon, 13% cabernet franc, 9% merlot and 7% malbec and spends 17 months in French oak barrels of which 50% were new. Muscular with a mineral core this is starting to show hints of evolution but is one for the long term. Drink from 2025 to 2037.
