2020 Ricasoli Chianti Gran Selezione

Drink from 2024 to 2030. A three-bottle case containing one bottle of each of the following wines. Please note: These wines can only be purchased as part of this mixed case: Colledilà, Chianti Classico, Gran Selezione. Colledilà translates as the 'hill over there', and in this case refers to a classic site with clay and limestone soils. An exceptional example of top-quality Chianti Classico, with refined tannins supporting tart red-berry, intense spice and leather flavours. Drink from 2024 to 2030. 14%. Only available as part of mixed case OC6056. Ceni Primo, Chianti Classico, Gran Selezione. This vineyard of ancient geological river terraces creates a deep and brooding wine. Traditional cherry, rose-hip and balsamic notes on the nose, this top Italian Chianti is inviting in youth but also has wonderful structure, allowing it to age beautifully. Drink from 2024 to 2030. 14.5%. Only available as part of mixed case OC6056. Roncicone, Chianti Classico, Gran Selezione. This vineyard was once under water and the soil is full of calcium sea deposits. These richer soils give the wine a fuller mouthfeel. Broader tannins support cherry and orange-peel fruit with brick-dust minerality lengthening the very classy finish. Drink from 2024 to 2030. 14%. Only available as part of mixed case OC6056.
