We would certainly recommend visiting the town of St Émilion which is very pretty. You could walk around or take a guided visit of cloisters or underground cellars – there is plenty of information here.

Getting around

If you don't plan to hire a car you can take the Bordeaux-Pointe de Graves train from the city centre. There is also the local bus company (Citram Aquitaine) which services travel between Bordeaux centre and the Médoc. Your closest major airport is found at Bordeaux-Mérignac.
