

# UNDER £7 WINTER PLEASURES

*'The Wine Society is almost certainly the best UK retailer for value – not cheapness, but real quality per penny'*

That was the view of the influential wine journalist Jancis Robinson MW, no less, after attending one of our recent tastings. And she's right, we believe that everyone deserves the opportunity to experience good wines at the fairest prices so genuine value for money

is at the heart of all that we do. Never more so than here where we celebrate those delicious fridge-door favourites and storecupboard staples that make anyday drinking and informal entertaining so easy, enjoyable and, of course, affordable.
